

Disclaimer

► TA'OR BOX

- The packaged drawer must be acclimatized for 24h before assembly. If this period is not respected, it is possible the drawer might not assemble properly causing damage to the construction.
- Place the furniture with the drawer(s) in a stable climate, to ensure the quality promised.
- Wood veneer is a natural product with slight differences in colour and grain.
- Under influence of light and usage the appearance of the TA'OR BOX will change.

Warranty policy

► TA'OR BOX

Limited warranty

TA'OR is responsible for the warranty of the TA'OR BOX, not for the furniture in question. In case of a functional or aesthetic defect, TA'OR will send the customer new components, without additional costs.

This warranty does not cover aesthetic or technical defects, in case the TA'OR BOX has not been installed according to the supplied manual or has been used in an improper manner. In that case, TA'OR has the right to offer the customer new components or a drawer from the current range.

Replacement procedure

To receive a replacement drawer or component within 30 days after observing the defect, a photograph suffices or you can send the defect component to:
